BRUSHES WITH RUBBER PEGS

Base	Fickert - Frankfurt - Edge Polishing Brush - Front Brush
Abrasive	Silicon Carbide - Diamond

Available Silicon Carbide Grits: 24/36/46/60/80/120/180/240/320/400/500/600/800/1000

Available Diamond Grits: 36/46/60/80/120/180/240/320/400/ 600/800/1000/1200/1800/3500

Depending on grit size and abrasive type, these brushes have different applications:

- to remove processing residues
- to remove scratches of previous processing
- to obtain satin finishing
- to increase leather finishing
- to brighten the colour
